INDEPENDENT AUDITORS' REPORT

To the Board of Directors
BBR Schools, Inc.
Baton Rouge, LA

Report on the Audits of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of BBR Schools, Inc. (a nonprofit organization), which comprise the consolidated statement of financial position as of June 30, 2025, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of BBR Schools, Inc. as of June 30, 2025, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of BBR Schools, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about BBR Schools, Inc.'s ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, the *Louisiana Governmental Audit Guide*, and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing the audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of BBR Schools, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about BBR Schools, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The supplementary information contained in the Schedule of Compensation, Benefits, and Other Payments to the School Leaders is not a required part of the consolidated financial statements, but is required by Louisiana Revised Statute 24:513 A.(3) and is presented for purposes of additional analysis. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, supplemental Schedules I-IV, and the accompanying Schedule of Debt Covenants, as required by the Louisiana Public Facilities Authority are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 16, 2025, on our consideration of BBR Schools, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of BBR Schools, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering BBR Schools, Inc.'s internal control over financial reporting and compliance.

BBR SCHOOLS, INC.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2025

1. Summary of Significant Accounting Policies

(a) Organization

BBR Schools, Inc. (BBR) is a Louisiana nonprofit corporation organized February 2016. BBR's single member is BASIS Charter Schools, Inc. (BCSI) (an Arizona based nonprofit corporation). BBR was awarded two Type 1 charter contracts by the East Baton Rouge Parish School Board (EBR) to open two charter schools serving grades kindergarten through twelfth. BBR receives a proportionate share of state and local revenue sources of EBR based on enrollment. BCSI appoints the chairman of the BBR board and has the authority to significantly influence operations. The Board of Directors has the primary accountability for the fiscal affairs of the Charter.

(b) Principles of Consolidation

In July 2020, Friends of BASIS Louisiana ("Friends"), a separate nonprofit organization, was created to raise funds for the exclusive benefit of BBR. A majority of the board of Friends must be comprised of the board members of BBR and upon closure any remaining funds of Friends will be remitted to BBR. Because of the relationship between BBR and Friends, the financial statements of Friends have been consolidated into the financial statements of BBR.

(c) Revenues

BBR receives the majority of its revenue from the Minimum Foundation Program (MFP). The amount of the MFP funding is based on an allocation of funds provided by the EBR. The allocation calculation is primarily based on the student enrollment at BBR and is recognized monthly when received.

Federal and state funds are passed through EBR. BBR's federal grant funding is on a cost reimbursement basis and is recognized as earned once the expenditures have been incurred, at which time all performance obligations have also been satisfied.

BBR receives private funding in the form of contributions from various individuals and entities. Contributions are recognized when an unconditional promise to give is received. Conditional promises to give, with a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend have been met.

BBR does not have any activity that would give rise to variable consideration.

(d) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(e) Cash

For purposes of the statements of cash flows, all highly liquid investments with a maturity of three months or less when purchased are considered cash equivalents. During the year, cash may consist of both unrestricted and restricted balances. Unrestricted cash balances represent cash available for general operating purposes.

BBR SCHOOLS, INC.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2025

(f) Restricted cash

Restricted cash balances consist of amounts credited to BBR's bank accounts in compliance with Series 2021 bond terms and covenants. There were net restricted cash balances at June 30, 2025 of \$5,533,566 and is discussed in the debt footnote below.

(g) Basis of Accounting

The financial statements of BBR have been prepared in accordance with U.S. generally accepted accounting principles ("US GAAP"), which require BBR to report information regarding its financial position and activities according to the following net asset classifications:

Net Assets Without Donor Restrictions are net assets that are not subject to donor-imposed restrictions and are available for use at the organization's discretion.

Net Assets With Donor Restrictions are net assets subject to donor-imposed restrictions that may or will be met, either by actions of the organization, and/or the passage of time. Once the restrictions are met, they are reclassified to net assets without donor restrictions. During the year ended June 30, 2025 BBR received contributions and private and federal grants with donor restrictions of \$949,374 and spent \$949,374 for the various contributions and grants intended purposes. There were net assets with donor restrictions of \$380,193 as of June 30, 2025. The remaining restrictions will be satisfied as cost are incurred in fulfillment of the donors' stipulations.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

(h) Grants and Accounts Receivable

Grants and other receivables are stated at the amount BBR expects to collect from outstanding balances. Management provides for uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. As of June 30, 2025, the consolidated financial statements do not include an estimate for an allowance for credit losses since BBR believes all receivables are collectable. The balance of net receivables as of July 1, 2024 was \$2,398,306.

(i) Functional Expenses

BBR allocates its expenses on a functional basis between program service, general and administrative, or fundraising. Expenses that can be identified with BBR's mission are allocated directly according to their natural expense classification. Other expenses are allocated between program service, general and administrative, and fundraising based on management's estimate of time, percentage, or square footage used, among other factors.

BBR SCHOOLS, INC.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2025

(j) Income Taxes

BBR accounts for income taxes in accordance with FASB ASC 740-10, Accounting for *Uncertainty in Income Taxes*. Management believes it has no material uncertain tax positions and, accordingly has not recognized a liability for any unrecognized tax benefits.

BBR & Friends are not-for-profit organizations that are exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Organizations file information returns in the U.S. federal jurisdiction. The organizations are not subject to U.S. federal income tax examinations by tax authorities beyond three years from the filing of those returns.

(k) Advertising

BBR expenses advertising costs in the year they are incurred. Advertising expenses for the year ended June 30, 2025 were \$300,255.

2. Subsequent Event

In preparing these financial statements, BBR has evaluated events and transactions for potential recognition or disclosure through December 16, 2025, which is the date the financial statements were available to be issued.

3. Concentrations

Revenue and Receivables

BBR receives the majority of its operating revenue from EBR in the form of state public school funding. BBR also receives grants from federal agencies, state agencies, and private foundations. The percentage of revenue and receivables from these sources in excess of 10% is as follows as of and for the year ended June 30, 2025:

	Revenue	Receivables
State public school funding	91%	88%

Labor

All of BBR's personnel, with the exception of the executive director and deputy director, is leased from BASIS Educational Group (BASIS Ed). BBR's contract with BASIS Ed is subject to renegotiation during 2033.

4. Liquidity and Availability of Financial Assets

The following reflects BBR's financial assets reduced by amounts not available for general use because of a contractual or donor imposed restriction within one year of the statement of financial position date.

Financial Assets at Year End:

Cash, Unrestricted	\$ 15,275,059
Net Receivables	1,532,695
Net Assets Restricted for Future Use	(380,193)
Financial Assets Available for General Expenditures	<u>\$ 16,427,561</u>

As part of BBR's liquidity management, cash is kept in checking accounts that can be accessed to meet daily needs of the organization.

BBR SCHOOLS, INC.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2025

5. Related Entity - BCSI

BCSI shares an Executive Director and has a common board member with BBR. BCSI also appoints the chairman of BBR's Board of Directors. BBR and BCSI collaborate on projects to minimize costs and administrative burden. In the normal course of their operations payables and receivables are incurred between these entities and are reflected on the consolidated statement of financial position as receivables and payables.

6. Restricted Investments and Fair Value

BBR invests debt service reserve accounts in federal government backed debt securities and money market mutual funds. These restricted investments are reported at fair value. The fair value of a financial instrument is the amount that would be received in an asset sale or paid to transfer a liability in an orderly transaction between unaffiliated market participants. Assets and liabilities measured at fair value are categorized based on whether the inputs are observable in the market and the degree that the inputs are observable. The categorization of financial instruments within the valuation hierarchy is based on the lowest level of input that is significant to the fair value measurement. The hierarchy is prioritized into three levels (with Level 3 being the lowest) defined as follows:

Level 1: Quoted prices in active markets for identical assets or liabilities that the entity has the ability to access.

Level 2: Observable inputs other than prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated with observable market data.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets and liabilities. This includes certain pricing models, discounted cash flow methodologies, and similar techniques that use significant unobservable inputs.

BBR's restricted investments consisted of the following as of June 30, 2025:

	<u>Fair Value</u>	<u>Cost</u>	<u>Unrealized Gain</u>	<u>Method</u>
Federal Agency Debt Securities	\$ 2,083,678	\$ 2,071,632	\$ 12,046	Level 2

7. BASIS Educational Group Management Agreement

BBR contracted with BASIS Ed to perform management and operational functions of BBR, including leased personnel, and to participate in the BASIS education model. Management fees are paid to BASIS Ed based on a percentage of certain revenue. Expenses recognized to BASIS Ed for the year ended June 30, 2025 were approximately \$2.16 million for management fees and approximately \$9.34 million for leased personnel.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2025

8. Debt

In December 2021, Louisiana Public Facilities Authority issued Series 2021 Revenue Bonds for a face amount of \$41,550,000. The proceeds were used to refinance existing notes payable, purchase and improve the campus from BCSI. Both facilities are leased to BBR. The bonds are secured by the facilities and the revenue from the leases to BBR. Friends is required to make semi-annual payments through 2056. The bonds bear interest at 4-4.25%. BBR allocated the interest incurred between capitalized interest and interest expense based the intended usage of the bond proceeds at the time of issuance until construction was completed during fiscal year 2024. Interest and amortization of the bond premium and discount expensed during the year ended June 30, 2025, was \$1,765,554.

The proceeds from bond issuance are restricted for various purposes and are to be held in separate accounts for the specific purposes of servicing the debt and to ensure BBR maintains adequate reserves to maintain the facility in normal operating conditions.

The balance of the outstanding bonds are reported net of all underwriter discounts and premiums on the consolidated statement of financial position, and consist of the following:

Bonds Payable	\$ 39,895,000
Unamortized Premium	1,135,094
Unamortized Issuance Costs	<u>(772,320)</u>
	<u><u>\$ 40,257,774</u></u>

Estimated principal and sinking fund payments are as follows:

	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
Fiscal Year 2026	\$ 675,000	\$ 1,596,063	\$ 2,271,063
Fiscal Year 2027	700,000	1,568,800	2,268,800
Fiscal Year 2028	725,000	1,540,800	2,265,800
Fiscal Year 2029	755,000	1,511,800	2,266,800
Fiscal Year 2030	785,000	1,481,600	2,266,600
Thereafter	<u>36,255,000</u>	<u>22,723,600</u>	<u>58,978,600</u>
	<u><u>\$ 39,895,000</u></u>	<u><u>\$ 30,422,663</u></u>	<u><u>\$ 70,317,663</u></u>

9. Property and Equipment

Property and equipment are stated at cost at the date of purchase or, for donated assets, at fair value at the date of donation, less accumulated depreciation. Depreciation is calculated using the straight-line method over the lesser of the estimated useful lives of the assets or the lease term. The useful lives range from three to forty years. BBR's policy is to capitalize all renewals and betterments acquired, with the exception of textbooks, for greater than \$300 and expense normal repairs and maintenance as incurred. All textbooks acquired are capitalized.

All assets acquired with public funds are the property of BBR for the duration of the charter. If the charter is revoked or surrendered, or BBR otherwise ceases to operate, all assets purchased with public funds will automatically revert to full ownership by EBR or the appropriate agency.

Depreciation expense was \$1,323,311 for the year ended June 30, 2025.

BBR SCHOOLS, INC.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2025

10. Commitments and Contingencies

BBR receives grants for specific purposes that are subject to audit by the grantor agencies. Such audits could lead to requests for reimbursement to the grantor agency for expenditures disallowed under terms of the grant. It is the opinion of BBR's management that its compliance with the terms of the grant will not result in any disallowed costs.

The continuation of BBR is contingent upon legislative appropriation or allocation of funds necessary to fulfill the requirements of the charter contracts with EBR. If the legislature fails to appropriate sufficient monies to provide for the continuation of the charter contract, or if such appropriation is reduced by veto of the Governor or by any means provided in the appropriations act to prevent the appropriation for the year from exceeding revenues for that year, or for any other lawful purpose, and the effect of such reduction is to provide insufficient monies for the continuation of the charter contract, the contract shall terminate on the date of the beginning of the first fiscal year for which funds are not appropriated.

1. Basis of Presentation

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal activity of BBR Schools, Inc. (BBR) under programs of the federal government for the year ended June 30, 2025. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in OMB Circular A-122, *Cost Principles for Non-Profit Organizations*, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
BBR Schools, Inc.
Baton Rouge, LA

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of BBR Schools, Inc. (a nonprofit Organization), which comprise the consolidated statement of financial position as of June 30, 2025, and the related consolidated statements of activities, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated December 16, 2025.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered BBR Schools, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of BBR Schools, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of BBR Schools, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether BBR Schools, Inc.'s consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document. This report is intended solely for the information and use of the audit committee, management, and others within the organization, the Legislative Auditor, and the federal awarding agencies and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM
GUIDANCE**

To the Board of Directors
BBR Schools, Inc.
Baton Rouge, LA

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited BBR Schools, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of BBR Schools, Inc.'s major federal programs for the year ended June 30, 2025. BBR Schools, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, BBR Schools, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2025.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of BBR Schools, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of BBR Schools, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to BBR Schools, Inc.'s federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on BBR Schools, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about BBR Schools, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding BBR Schools, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of BBR Schools, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of BBR Schools, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

This report is intended solely for the information and use of the Board of Directors, management, the Legislative Auditor, and federal awarding agencies and is not intended to be and should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

5. For each deposit site selected, obtain a listing of collection locations and management's representation that the listing is complete. Randomly select one collection location for each deposit site (i.e., 5 collection locations for 5 deposit sites), obtain and inspect written policies and procedures relating to employee job duties (if no written policies or procedures, inquire of employees about their job duties) at each collection location, and observe that job duties are properly segregated at each collection location such that:
 - a) Employees responsible for cash collections do not share cash drawers/registers.
 - b) Each employee responsible for collecting cash is not responsible for preparing/making bank deposits, unless another employee/official is responsible for reconciling collection documentation (e.g., pre-numbered receipts) to the deposit.
 - c) Each employee responsible for collecting cash is not responsible for posting collection entries to the general ledger or subsidiary ledgers, unless another employee/official is responsible for reconciling ledger postings to each other and to the deposit.

 - a) Observe that receipts are sequentially pre-numbered.
 - b) Trace sequentially pre-numbered receipts, system reports, and other related collection documentation to the deposit slip.
 - c) Trace the deposit slip total to the actual deposit per the bank statement.
 - d) Observe the deposit was made within one business day of receipt at the collection location (within one week if the depository is more than 10 miles from the collection location or the deposit is less than \$100 and the cash is stored securely in a locked safe or drawer).

9. For each location selected under #8 above, obtain a listing of those employees involved with non-payroll purchasing and payment functions. Obtain written policies and procedures relating to employee job duties (if the agency has no written policies and procedures, inquire of employees about their job duties), and observe that job duties are properly segregated such that:
 - a) At least two employees are involved in initiating a purchase request, approving a purchase, and placing an order/making the purchase.
 - b) At least two employees are involved in processing and approving payments to vendors.

Randomly select 5 disbursements for each location, obtain supporting documentation for each transaction, and:

- a) Observe whether the disbursement matched the related original itemized invoice and supporting documentation indicates deliverables included on the invoice were received by the entity.
 - b) Observe whether the disbursement documentation included evidence (e.g., initial/date, electronic logging) of segregation of duties tested under #9, as applicable.
11. Using the entity's main operating account and the month selected in Bank Reconciliations procedure #3A, randomly select 5 non-payroll-related electronic disbursements (or all electronic disbursements if less than 5) and observe that each electronic disbursement was (a) approved by only those persons authorized to disburse funds (e.g., sign checks) per the entity's policy, and (b) approved by the required number of authorized signers per the entity's policy. *Note: If no electronic payments were made from the main operating account during the month selected the practitioner should select an alternative month and/or account for testing that does include electronic disbursements.*

 - b) Observe that finance charges and late fees were not assessed on the selected statements.
14. Using the monthly statements or combined statements selected under #12 above, excluding fuel cards, randomly select 10 transactions (or all transactions if less than 10) from each statement, and obtain supporting documentation for the transactions (i.e., each card should have 10 transactions subject to testing). For each transaction, observe it is supported by (1) an original itemized receipt that identifies precisely what was purchased, (2) written documentation of the business/public purpose, and (3) documentation of the individuals participating in meals (for meal charges only). For missing receipts, the practitioner should describe the nature of the transaction and note whether management had a compensating control to address missing receipts, such as a "missing receipt statement" that is subject to increased scrutiny.

Results: The School is in compliance with the procedure above and Louisiana Legislative Auditors testing requirements.

Travel and Travel-Related Expense Reimbursements (excluding card transactions)

15. Obtain from management a listing of all travel and travel-related expense reimbursements during the fiscal period and management's representation that the listing or general ledger is complete. Randomly select 5 reimbursements, obtain the related expense reimbursement forms/prepaid expense documentation of each selected reimbursement, as well as the supporting documentation. Randomly select 5 contracts (or all contracts if less than 5) from the listing, excluding the practitioner's contract, and:
 - a) Observe whether the contract was bid in accordance with the Louisiana Public Bid Law (e.g., solicited quotes or bids, advertised), if required by law.
 - b) Observe whether the contract was approved by the governing body/board, if required by policy or law (e.g., Lawrason Act, Home Rule Charter).
 - c) If the contract was amended (e.g., change order), observe the original contract terms provided for such an amendment and that amendments were made in compliance with the contract terms (e.g., if approval is required for any amendment, was approval documented).

 - d) Observe the rate paid to the employees or officials agree to the authorized salary/pay rate found within the personnel file.
19. Obtain a listing of those employees or officials that received termination payments during the fiscal period and management's representation that the list is complete. Randomly select two employees or officials, obtain related documentation of the hours and pay rates used in management's termination payment calculations and the entity's policy on termination payments. Agree the hours to the employee or officials' cumulative leave records, agree the pay rates to the employee or officials' authorized pay rates in the employee or officials' personnel files, and agree the termination payment to entity policy.
